Dear Mr. Newman:

As far as we can tell from the contact sheet, our photo session at your home was a success.

Let me reiterate how much we appreciate your allowing us to photograph your collection. We are particularly pleased to have images of the Anheuser soap factory and the buildings from the earliest period of the company.

As we discussed, I would be delighted to give you a "behind the scenes" tour of our facility. I welcome the opportunity to show you the wide variety of materials in our permanent collection.

Once again, thank you for your assistance.

Sincerely,

Mary Louise Brown
Curator of Collections/
Assistant Archivist
